

TEXAS RANGERS CHARGE ACROSS THE MEXIC BORDER AND GET VERGARA'S BODY

**NO COMMENT MADE
ON RAID OF RANGERS
AT NATION'S CAPITAL**

Washington, March 8.—No official advice has reached here tonight as to whether the state or war department is about the recovery of the body of Clemente Vergara. Secretary Bryner was en route from Springfield, Mass., where he addressed a Young Men's Christian association meeting today, and was not expected here until early tomorrow.

While official comment on the incident was lacking, the fact that permission had been given by the Mexican federal authorities for recovery of the body was believed to remove the possibility of international complications.

The evidence gathered by the Texas authorities as to Vergara's execution will be used by the state department.

in renewing its representations to the Huerta government for punishment of the offenders. A full report is expected by state department officials from Consul Garrett tomorrow.

VILLA TAKES REEL IN KILLING POLICY

Rebel General Says He Won't Execute Luis Terrazas, Jr., for Non-Payment of Ransom.

El Paso, Texas, March 8.—Failure to pay the ransom demanded for Luis Tena Ramirez, Jr., will not result in the prisoner's execution, according to a telegram received here tonight from General Villa at Chihuahua.

News of the telegram came from rebel agents tonight. The agents de-

Huerta. Even after repeated warnings, it is declared the elder Terrazas has aided the Mexican government with men and money, until a week ago when General Villa declared that his patience was at an end.

Villa's decision to waive the matter of ransom came through representations made by General Carranza and his

A telegram to Villa from Federico Gonzales Garza today pointed out that to execute Terrazas for non-payment of ransom would be a barbarity which coming on top of the indignation aroused by the killing of William Benton, would seriously injure the country.

stitutionalist cause in the United States and Europe. The telegram suggested that the \$60,000 pesos or \$250,000 was a small sum compared with the expense of running the revolution, and that it was a mere nothing compared with the storm of criticism it was certain to arouse.

that the ransom had been largely a pretext to cover his real purpose of preventing any aid reaching the fed-
erals from the head of the Terraza family.

With the stand of General Villa, his agents say there can be no quarrel. They maintain that the elder Terraza is far from being the poor man he now

"General Villa is a man of his word," said a rebel official tonight, "and while the younger Terrazas is in no immediate danger, it is certain Villa will expose him to the firing line."

General Carranza's telegrams to General Villa were not peremptory, but pointed out that the sender was in the best position to judge the international aspect of the case. Reference also was made to the intervention of Secretary Bryan on the grounds of humanity and

the damage to the prestige of the constitutional administration which such an outrage would engender.

Ex-Boer General in Trouble.

Great interest was manifested today in the case of General W. B. Snyman, the former Boer general who has been ordered from his 3,000-acre ranch, L. Ridge, four to five miles north of Grahamstown, to appear before the military court.

Snyman is well known here. He was one of the leaders in forming a Boer colony in Mexico after the British triumph in South Africa. He was born a Boer, but became naturalized as a Briton, and before the war was elected to the Cape assembly. He turned rebel against his adopted country and

—Snyman is accused of allowing federal agents to use his ranch as a recruiting headquarters, and there is said to be further allegation that he has not paid for his ranch. Friends of Snyman and his son, G. C. Snyman, now here, deny

the charges. The veteran Boer fighter was outspoken against the rebellion of Mader against Porfirio Diaz, but he is said to have maintained a neutral attitude since then.

George Carothers, special agent of the state department, went to Douglas, Ariz., today to confer with General Carranza. He expects to return here and depart for Chihuahua, the headquarters

**WOMEN OF AUSTRIA
DEMAND THE BALLOT**
Vienna, March 8.—Hundreds

women's mass meetings in favor of woman suffrage were held today throughout Austria. At all resolutions were adopted declaring it was the general demand of Austrian women for the vote in parliamentary and local elections. The mass meetings were organized by the socialist party.

FIRST WARD CENTERS INTEREST

Mayor Woodward Silent on Successor to Alderman Harwell, and Citizens' League Is Taking No Part.

With Mayor James G. Woodward silent, and the announcement of the Citizens' League that it will not attempt to influence in the election of a successor in the first ward to Alderman John H. Harwell, candidates who are seeking the place are busy today buttonholing their friends in an effort to get the nomination.

Members of the first ward election—Councilmen Wardlaw and Alverness—are certain, it is understood, to name J. H. Sawright for the place. Sawright would not be the choice of Mayor Woodward, who is in a position to dictate Alderman Harwell's successor, but the mayor is very friendly towards the ward candidate, and is not exerting himself against Sawright. It is significant that many of the mayor's most ardent supporters are going to vote for him.

Sawright confident.
While there are many things which can happen before the next meeting of council to change the complexion of the contest, indications now point to the election of Sawright. He has no claim to have the support of seventeen men, but he has the support of many more than he will be elected. He has a name as a sort of independent candidate, and he has pledged to himself, and claims that he will be elected.

It is apparent that Kentree is count-

Lawyers for Frank Busby Preparing Their Evidence For Extraordinary Motion

The motion extraordinary for a new trial for Leo Frank will be made on April 1, or within a day or two of that date. This much has been made known by members of the convicted man's defense, who say that the motion will be put on file about ten days before the execution date.

A mass of newly-discovered evidence will be contained in the new trial application. Several affidavits supporting Frank's argument for a new trial have been published during the past several days, causing widespread speculation.

An interesting phase of new evidence for the defense was published exclusively in the Atlanta City Record this morning, when two affidavits were printed which contained statements from V. H. and George W. Epps, who were the two men who were arrested and used of the sawtooth saw of having been trapped into renouncing their testimony by the trial judge. This new evidence was recently made public by Frank's counsel.

This is the first move made public in which the prosecution complies with the newly-discovered evidence of the convicted man's defense. It is the first move which has been made public, and it is the first move which has been made public.

W. H. Epps, of Dalton, the youth who was arrested early in the morning, to a Constitution reporter he said that he had been in the courtroom when the affidavit was made for the defense by the two men who were arrested and used of the sawtooth saw of having been trapped into renouncing their testimony by the trial judge.

Wallace is an old Atlanta boy, and has many friends here who are interested in his success. The management declared itself as highly satisfied with the excellent character of his work as an actor. Wallace was formerly a singer in the St. Luke Episcopal church.

Putting the Modern Roofing Industry on the Map.

By George M. Brown, President, General Roofing Manufacturing Company.

Preparing roofing—the modern roofing—has come to the attention of the public as a result of the needs of modern buildings and modern building methods. It represents one of the big factors in the "scientific management" of building.
